Comparison of Changes to Special Administrative Measures on Access to Foreign Investment (Negative List)

2018 & 2019 versions

List	Foreign Investment Negative List			Free Trade Zone Negative List for Foreign Investment		
Sector	2018	2019	Changes	2018	2019	Changes
I. Agriculture, Forestry, Animal Husbandry and Fishery						
Seeding	1. Breeding and production of seeds of new varieties of wheat and maize shall be controlled by the Chinese side	1. Breeding and production of seeds of new varieties of wheat and maize shall be controlled by the Chinese side		1. The ratio of Chinese stocks in breeding and production of seeds of new varieties of wheat and maize should be no less than 34%	1. The ratio of Chinese stocks in breeding and production of seeds of new varieties of wheat and maize should be no less than 34%	
	2. Prohibit to invest in research and development, breeding and planting of rare and special varieties in China, and production of relevant breeding materials (including quality genes in planting industry, husbandry and aquaculture)	2. Prohibit to invest in research and development, breeding and planting of rare and special varieties in China, and production of relevant breeding materials (including quality genes in planting industry, husbandry and aquaculture)		2. Prohibit to invest in research and development, breeding and planting of rare and special varieties in China, and production of relevant breeding materials (including quality genes in planting industry, husbandry and aquaculture)	2. Prohibit to invest in research and development, breeding and planting of rare and special varieties in China, and production of relevant breeding materials (including quality genes in planting industry, husbandry and aquaculture)	

	3. Prohibit to invest in seed selection of the genetically modified varieties of crop seeds, breeding livestock and poultry, and aquatic fingerlings, and the production of their genetically modified seeds (seedlings)	3. Prohibit to invest in seed selection of the genetically modified varieties of crop seeds, breeding livestock and poultry, and aquatic fingerlings, and the production of their genetically modified seeds (seedlings)		3. Prohibit to invest in seed selection of the genetically modified varieties of crop seeds, breeding livestock and poultry, and aquatic fingerlings, and the production of their genetically modified seeds (seedlings)	3. Prohibit to invest in seed selection of the genetically modified varieties of crop seeds, breeding livestock and poultry, and aquatic fingerlings, and the production of their genetically modified seeds (seedlings)	
Fishery	4. Prohibit to invest in fishing aquatic products from waters under China's jurisdiction and inland waters	4. Prohibit to invest in fishing aquatic products from waters under China's jurisdiction and inland waters		4. Prohibit to invest in fishing aquatic products from waters under China's jurisdiction and inland waters		Removed
II. Mining Industry						
Exploration of oil and natural gas	5. Exploration and exploitation of oil and natural gas (except for those including coal-bed methane, oil shale, oil sands, shale gas, etc.) shall be limited to Sino-foreign equity/cooperative joint venture operations		Removed			
Mining and selection of nonferrous and nonmetallic ore and auxiliary mining activities	6. Prohibit to invest in exploration and mining of tungsten, molybdenum, tin, antimony, and fluorite	5. Prohibit to invest in exploration, mining and selection of rare earth elements, in exploration, mining and selection of radioactive minerals, and in exploration of tungsten	Removed "exploration and mining of molybdenum, tin, antimony, and fluorite"	5. Prohibit to invest in exploration and mining of tungsten, molybdenum, tin, antimony, and fluorite	4. Prohibit to invest in exploration, mining and selection of rare earth elements, in exploration, mining and selection of radioactive minerals, and in exploration of tungsten (Prohibited access to rare earth mines, and obtainment	Removed "exploration and mining of molybdenum, tin, antimony, and fluorite"
	7. Prohibit to invest in exploration, mining and selection of rare earth elements			6. Prohibit to invest in exploration, mining and selection of rare earth elements (Prohibited access to rare earth mines, and		

				obtainment of mines' geological data, ore sample, and techniques of production)	of mines' geological data, ore sample, and techniques of production)	
	8. Prohibit to invest in exploration, mining and selection of radioactive minerals			7. Prohibit to invest in exploration, mining and selection of radioactive minerals		
III. Manufacturing						
Printing	9. Printing of publications shall be controlled by the Chinese side	6. Printing of publications shall be controlled by the Chinese side		8. Printing of publications shall be controlled by the Chinese side		Removed
Nuclear fuel and nuclear radiation processing industry	10. Prohibit to invest in radioactive mineral smelting and processing, and nuclear fuel production	7. Prohibit to invest in radioactive mineral smelting and processing, and nuclear fuel production				
Chinese medicine decoction pieces and production of Chinese patent medicine	11. Prohibit to invest in processing techniques as steaming, stir-frying, broiling, and calcination for making small pieces of ready-for-use traditional Chinese medicines; and production of traditional Chinese patent medicine of secret prescriptions	8. Prohibit to invest in processing techniques as steaming, stir-frying, broiling, and calcination for making small pieces of ready-for-use traditional Chinese medicines; and production of traditional Chinese patent medicine of secret prescriptions		9. Prohibit to invest in processing techniques as steaming, stir-frying, broiling, and calcination for making small pieces of ready-for-use traditional Chinese medicines; and production of traditional Chinese patent medicine of secret prescriptions	5. Prohibit to invest in processing techniques as steaming, stir-frying, broiling, and calcination for making small pieces of ready-for-use traditional Chinese medicines; and production of traditional Chinese patent medicine of secret prescriptions	

Automotive Manufacturing Industry	12. With the exception of special and new energy vehicles, the proportion of Chinese shares in vehicle manufacturing shall not be less than 50%. The same foreign company can establish two or fewer joint ventures in China to produce similar vehicle products. (Restrictions on the proportion of foreign shares in commercial vehicle manufacturing will be removed in 2020. Restrictions on the proportion of shares in passenger vehicle manufacturing and limits on the amount of joint ventures that foreign companies shall be removed in 2022)	9. With the exception of special and new energy vehicles, the proportion of Chinese shares in vehicle manufacturing shall not be less than 50%. The same foreign company can establish two or fewer joint ventures in China to produce similar vehicle products. (Restrictions on the proportion of foreign shares in commercial vehicle manufacturing will be removed in 2020. Restrictions on the proportion of shares in passenger vehicle manufacturing and limits on the amount of joint ventures that foreign companies shall be removed in 2022)		10. With the exception of special and new energy vehicles, the proportion of Chinese shares in vehicle manufacturing shall not be less than 50%. The same foreign company can establish two or fewer joint ventures in China to produce similar vehicle products. (Restrictions on the proportion of foreign shares in commercial vehicle manufacturing will be removed in 2020. Restrictions on the proportion of shares in passenger vehicle manufacturing and limits on the amount of joint ventures that foreign companies shall be removed in 2022)	6. With the exception of special and new energy vehicles, the proportion of Chinese shares in vehicle manufacturing shall not be less than 50%. The same foreign company can establish two or fewer joint ventures in China to produce similar vehicle products. (Restrictions on the proportion of foreign shares in commercial vehicle manufacturing will be removed in 2020. Restrictions on the proportion of shares in passenger vehicle manufacturing and limits on the amount of joint ventures that foreign companies shall be removed in 2022)	
Communication Equipment Manufacturing	13. Production of satellite telecasting ground receiving facilities and key components	10. Production of satellite telecasting ground receiving facilities and key components		11. Production of satellite telecasting ground receiving facilities and key components	7. Production of satellite telecasting ground receiving facilities and key components	
Other Manufacturing Industry	14. Prohibit to invest in production of Xuan paper and Chinese ink ingot		Removed	12. Prohibit to invest in production of Xuan paper and Chinese ink ingot		Removed
IV. Electricity, Thermal Power, Gas and Water Production and Supply Industries						

Nuclear Plant	15. Construction and operation of nuclear power stations shall be controlled by the Chinese side	11. Construction and operation of nuclear power stations shall be controlled by the Chinese side		13. Construction and operation of nuclear power stations shall be controlled by the Chinese side	8. Construction and operation of nuclear power stations shall be controlled by the Chinese side	
Pipe Network Facilities	16. Construction and operation of pipeline networks for gas, heat, water supply and sewage in cities with the population over 0.5 million shall be controlled by the Chinese side	12. Construction and operation of pipeline networks for water supply and sewage in cities with the population over 0.5 million shall be controlled by the Chinese side	Removed "gas" and "heat"	14. Construction and operation of pipeline networks for gas, heat, water supply and sewage in cities with the population over 0.5 million shall be controlled by the Chinese side	9. Construction and operation of pipeline networks for water supply and sewage in cities with the population over 0.5 million shall be controlled by the Chinese side	Removed "gas" and "heat"
V. Wholesale and Retail Industries						
Tobacco	17. Prohibit to invest in wholesale and retail of tobacco leaves, cigarettes, re-dried tobacco leaves and other tobacco products	13. Prohibit to invest in wholesale and retail of tobacco leaves, cigarettes, re-dried tobacco leaves and other tobacco products		15. Prohibit to invest in wholesale and retail of tobacco leaves, cigarettes, re-dried tobacco leaves and other tobacco products	10. Prohibit to invest in wholesale and retail of tobacco leaves, cigarettes, re-dried tobacco leaves and other tobacco products	
VI. Transportation, Warehousing and Postal Services Industries						
Rail Transportation	18. Domestic water transport company shall be controlled by the Chinese side	14. Domestic water transport company shall be controlled by the Chinese side		16. Domestic water transport company shall be controlled by the Chinese side	11. Domestic water transport company shall be controlled by the Chinese side	
Marine Transportation	19. Domestic shipping agency shall be controlled by the Chinese side		Removed	17. Domestic shipping agency shall be controlled by the Chinese side		Removed

Air Passenger and Cargo Transportation	20. Public air transport companies shall be controlled by the Chinese side. The investment proportion of a foreign enterprise of its affiliated enterprises shall not exceed 25%, and the legal representative shall be a Chinese citizen	15. Public air transport companies shall be controlled by the Chinese side. The investment proportion of a foreign enterprise of its affiliated enterprises shall not exceed 25%, and the legal representative shall be a Chinese citizen		18. Public air transport companies shall be controlled by the Chinese side. The investment proportion of a foreign enterprise of its affiliated enterprises shall not exceed 25%, and the legal representative shall be a Chinese citizen	12. Public air transport companies shall be controlled by the Chinese side. The investment proportion of a foreign enterprise of its affiliated enterprises shall not exceed 25%, and the legal representative shall be a Chinese citizen	
General Aviation Service	21. The legal representative of a general aviation company shall be a Chinese citizen. General aviation companies of agriculture, forestry, and fishery are limited to joint ventures, and other general aviation companies are limited to Chinese holdings	16. The legal representative of a general aviation company shall be a Chinese citizen. General aviation companies of agriculture, forestry, and fishery are limited to joint ventures, and other general aviation companies are limited to Chinese holdings		19. The legal representative of a general aviation company shall be a Chinese citizen. General aviation companies of agriculture, forestry, and fishery are limited to joint ventures, and other general aviation companies are limited to Chinese holdings	13. The legal representative of a general aviation company shall be a Chinese citizen. General aviation companies of agriculture, forestry, and fishery are limited to joint ventures, and other general aviation companies are limited to Chinese holdings	
Airport and Air Traffic Management	22. Construction and operation of civil airports shall be controlled by the Chinese side	17. Construction and operation of civil airports shall be controlled by the Chinese side		20. Construction and operation of civil airports shall be controlled by the Chinese side	14. Construction and operation of civil airports shall be controlled by the Chinese side	
	23. Prohibit to invest in air traffic control	18. Prohibit to invest in air traffic control		21. Prohibit to invest in air traffic control	15. Prohibit to invest in air traffic control	
Post Industry	24. Prohibit to invest in postal companies; domestic express delivery business of mails	19. Prohibit to invest in postal companies; domestic express delivery business of mails		22. Prohibit to invest in postal companies; domestic express delivery business of mails	16. Prohibit to invest in postal companies; domestic express delivery business of mails	

VII. Information Transmission, Software and Information Technology Service Industries

Telecommunications	25. Telecom companies are limited to telecommunication business opened in China's WTO accession commitments. The ratio of foreign shares of value-added telecom business shall not exceed 50% (except e-commerce). Basic telecommunication industry shall be controlled by the Chinese side	20. Telecom companies are limited to telecommunication business opened in China's WTO accession commitments. The ratio of foreign shares of value-added telecom business shall not exceed 50% (except e-commerce, domestic multi-party communication, storage and forwarding, call centre). Basic telecommunication industry shall be controlled by the Chinese side	Added exceptions “domestic multi-party communication, storage and forwarding, call centre”	23. Telecom companies are limited to telecommunication business opened in China's WTO accession commitments. The ratio of foreign shares of value-added telecom business shall not exceed 50% (except e-commerce). Basic telecommunication industry shall be controlled by the Chinese side; the pilot policy of SHFTZ original area (28.8 square kilometers) extends to all FTZs for implementation	17. Telecom companies are limited to telecommunication business opened in China's WTO accession commitments. The ratio of foreign shares of value-added telecom business shall not exceed 50% (except e-commerce, domestic multi-party communication, storage and forwarding, call centre). Basic telecommunication industry shall be controlled by the Chinese side; the pilot policy of SHFTZ original area (28.8 square kilometers) extends to all FTZs for implementation	Added exceptions “domestic multi-party communication, storage and forwarding, call centre”
Internet and Related Services	26. Prohibit to invest in internet news information services, internet publishing services, internet audio-visual program services, internet culture operation services (except music), internet public information release services (the services above, except the contents opened in China's WTO accession commitments)	21. Prohibit to invest in internet news information services, internet publishing services, internet audio-visual program services, internet culture operation services (except music), internet public information release services (the services above, except the contents opened in China's WTO accession commitments)		24. Prohibit to invest in internet news information services, internet publishing services, internet audio-visual program services, internet culture operation services (except music), internet public information release services (the services above, except the contents opened in China's WTO accession commitments)	18. Prohibit to invest in internet news information services, internet publishing services, internet audio-visual program services, internet culture operation services (except music), internet public information release services (the services above, except the contents opened in China's WTO accession commitments)	
VIII. Finance Industry						

Financial Services	27. The ratio of foreign shares in securities companies shall not exceed 51%, and the ratio of foreign shares in securities investment fund management companies shall not exceed 51% (will remove the restriction on foreign shares ratio in 2021)	22. The ratio of foreign shares in securities companies shall not exceed 51%, and the ratio of foreign shares in securities investment fund management companies shall not exceed 51% (will remove the restriction on foreign shares ratio in 2021)		25. The ratio of foreign shares in securities companies shall not exceed 51%, and the ratio of foreign shares in securities investment fund management companies shall not exceed 51% (will remove the restriction on foreign shares ratio in 2021)	19. The ratio of foreign shares in securities companies shall not exceed 51%, and the ratio of foreign shares in securities investment fund management companies shall not exceed 51% (will remove the restriction on foreign shares ratio in 2021)	
	28. The ratio of foreign shares in futures companies shall not exceed 51% (will remove the restriction on the proportion of foreign shares in 2021)	23. The ratio of foreign shares in futures companies shall not exceed 51% (will remove the restriction on the proportion of foreign shares in 2021)		26. The ratio of foreign shares in futures companies shall not exceed 51% (will remove the restriction on the proportion of foreign shares in 2021)	20. The ratio of foreign shares in futures companies shall not exceed 51% (will remove the restriction on the proportion of foreign shares in 2021)	
Insurance	29. The ratio of foreign shares in life insurance companies shall not exceed 51%. (will remove the restriction on the proportion of foreign shares in 2021)	24. The ratio of foreign shares in life insurance companies shall not exceed 51%. (will remove the restriction on the proportion of foreign shares in 2021)		27. The ratio of foreign shares in life insurance companies shall not exceed 51%. (will remove the restriction on the proportion of foreign shares in 2021)	21. The ratio of foreign shares in life insurance companies shall not exceed 51%. (will remove the restriction on the proportion of foreign shares in 2021)	
IX. Leasing and Commercial Services Industries						
Legal Services	30. Prohibit to invest in Chinese legal affairs (excluding providing information on the impact of China's legal environment). Prohibit foreigner to become partner of Chinese law firm.	25. Prohibit to invest in Chinese legal affairs (excluding providing information on the impact of China's legal environment). Prohibit foreigner to become partner of Chinese law firm.		28. Prohibit to invest in Chinese legal affairs (excluding providing information on the impact of China's legal environment). Prohibit foreigner to become partner of Chinese law firm.	22. Prohibit to invest in Chinese legal affairs (excluding providing information on the impact of China's legal environment). Prohibit foreigner to become partner of Chinese law firm.	

Consultation and Investigation	31. Market survey is limited to joint venture and cooperation, in which radio and television listening and viewing surveys shall be controlled by the Chinese side.	26. Market survey is limited to joint venture and cooperation, in which radio and television listening and viewing surveys shall be controlled by the Chinese side.		29. Market survey is limited to joint venture and cooperation, in which radio and television listening and viewing surveys shall be controlled by the Chinese side.	23. Market survey is limited to joint venture and cooperation, in which radio and television listening and viewing surveys shall be controlled by the Chinese side.	
	32. Prohibit to invest in social investigations	27. Prohibit to invest in social investigations		30. Prohibit to invest in social investigations	24. Prohibit to invest in social investigations	
X. Scientific Research and Technological Services Industries						
Research and Experimental Development	33. Prohibit to invest in the development and application of human stem cell and genetic diagnosis and treatment technology	28. Prohibit to invest in the development and application of human stem cell and genetic diagnosis and treatment technology		31. Prohibit to invest in the development and application of human stem cell and genetic diagnosis and treatment technology	25. Prohibit to invest in the development and application of human stem cell and genetic diagnosis and treatment technology	
	34. Prohibit to invest in humanities and social sciences research institutes	29. Prohibit to invest in humanities and social sciences research institutes		32. Prohibit to invest in humanities and social sciences research institutes	26. Prohibit to invest in humanities and social sciences research institutes	

Special Technical Services	35. Prohibit to invest in geodetic surveying, marine charting, aerial photography for surveying and mapping purposes, ground mobile mapping, administrative boundary surveying and mapping, compilation of topographic maps, maps of world political zones, national administrative divisions and administrative divisions at and below the provincial level, national teaching maps, local teaching maps, true three-dimensional maps, compilation of electronic maps for navigation purposes, regional geological mapping, mineral geology, geophysics, geochemistry, hydrogeology, environmental geology, geological disasters, geological remote sensing and other surveys	30. Prohibit to invest in geodetic surveying, marine charting, aerial photography for surveying and mapping purposes, ground mobile mapping, administrative boundary surveying and mapping, compilation of topographic maps, maps of world political zones, national administrative divisions and administrative divisions at and below the provincial level, national teaching maps, local teaching maps, true three-dimensional maps, compilation of electronic maps for navigation purposes, regional geological mapping, mineral geology, geophysics, geochemistry, hydrogeology, environmental geology, geological disasters, geological remote sensing and other surveys		35. Prohibit to invest in geodetic surveying, marine charting, aerial photography for surveying and mapping purposes, ground mobile mapping, administrative boundary surveying and mapping, compilation of topographic maps, maps of world political zones, national administrative divisions and administrative divisions at and below the provincial level, national teaching maps, local teaching maps, true three-dimensional maps, compilation of electronic maps for navigation purposes, regional geological mapping, mineral geology, geophysics, geochemistry, hydrogeology, environmental geology, geological disasters, geological remote sensing and other surveys	27. Prohibit to invest in geodetic surveying, marine charting, aerial photography for surveying and mapping purposes, ground mobile mapping, administrative boundary surveying and mapping, compilation of topographic maps, maps of world political zones, national administrative divisions and administrative divisions at and below the provincial level, national teaching maps, local teaching maps, true three-dimensional maps, compilation of electronic maps for navigation purposes, regional geological mapping, mineral geology, geophysics, geochemistry, hydrogeology, environmental geology, geological disasters, geological remote sensing and other surveys	
XI. Water Conservancy, Environmental, and Public Facilities Management Industries						
Wildlife Conservation	36. Prohibit to invest in the development of wildlife resources originating in China under state protection		Removed	36. Prohibit to invest in the development of wildlife resources originating in China under state protection		Removed

XII. Education						
Education	37. Pre-school, ordinary high school, and higher education institutions shall be limited to Sino-foreign cooperative education, and shall be dominated by the Chinese side. The principal or the main administrator shall have Chinese nationality, the number of Chinese members in Board of Governors, Board of Directors or Joint Management Committee shall not be less than 1/2).	31. Pre-school, ordinary high school, and higher education institutions shall be limited to Sino-foreign cooperative education, and shall be dominated by the Chinese side. The principal or the main administrator shall have Chinese nationality, the number of Chinese members in Board of Governors, Board of Directors or Joint Management Committee shall not be less than 1/2).		37. Pre-school, ordinary high school, and higher education institutions shall be limited to Sino-foreign cooperative education, and shall be dominated by the Chinese side. The principal or the main administrator shall have Chinese nationality, the number of Chinese members in Board of Governors, Board of Directors or Joint Management Committee shall not be less than 1/2).	28. Pre-school, ordinary high school, and higher education institutions shall be limited to Sino-foreign cooperative education, and shall be dominated by the Chinese side. The principal or the main administrator shall have Chinese nationality, the number of Chinese members in Board of Governors, Board of Directors or Joint Management Committee shall not be less than 1/2).	
	38. Prohibit to invest in compulsory education institutions and religious education institutions	32. Prohibit to invest in compulsory education institutions and religious education institutions		38. Prohibit to invest in compulsory education institutions and religious education institutions	29. Prohibit to invest in compulsory education institutions and religious education institutions	
XIII. Health and Social Work						
Health	39. Medical institutions shall be limited to Sino-foreign equity/cooperative joint venture operations	33. Medical institutions shall be limited to Sino-foreign equity/cooperative joint venture operations		39. Medical institutions shall be limited to Sino-foreign equity/cooperative joint venture operations	30. Medical institutions shall be limited to Sino-foreign equity/cooperative joint venture operations	
XIV. Cultural, Sports and Entertainment Industries						
Press and Publications	40. Prohibit to invest in news agencies (including but not limited to news agencies)	34. Prohibit to invest in news agencies (including but not limited to news agencies)		40. Prohibit to invest in news agencies (including but not limited to news agencies)	31. Prohibit to invest in news agencies (including but not limited to news agencies)	

	41. Prohibit to invest in the compilation, publication, and production of books, newspapers, periodicals, audio-visual products and electronics	35. Prohibit to invest in the compilation, publication, and production of books, newspapers, periodicals, audio-visual products and electronics		41. Prohibit to invest in the compilation, publication, and production of books, newspapers, periodicals, audio-visual products and electronics	32. Prohibit to invest in the compilation, publication, and production of books, newspapers, periodicals, audio-visual products and electronics	
Broadcasting, transmission, production and operation of radio and television	42. Prohibit to invest in radio stations, television stations, broadcast television channels, radio and television transmission network (transmission stations, relay station, broadcast and television satellites, satellite uplink station, satellite receiving stations, microwave stations, monitor stations and cable broadcasting and television transmission coverage network, etc.) shall be prohibited. Broadcast television video on demand services and satellite television broadcasting ground reception facility installation services	36. Prohibit to invest in radio stations, television stations, broadcast television channels, radio and television transmission network (transmission stations, relay station, broadcast and television satellites, satellite uplink station, satellite receiving stations, microwave stations, monitor stations and cable broadcasting and television transmission coverage network, etc.) shall be prohibited. Broadcast television video on demand services and satellite television broadcasting ground reception facility installation services		42. Prohibit to invest in radio stations, television stations, broadcast television channels, radio and television transmission network (transmission stations, relay station, broadcast and television satellites, satellite uplink station, satellite receiving stations, microwave stations, monitor stations and cable broadcasting and television transmission coverage network, etc.) shall be prohibited. Broadcast television video on demand services and satellite television broadcasting ground reception facility installation services	33. Prohibit to invest in radio stations, television stations, broadcast television channels, radio and television transmission network (transmission stations, relay station, broadcast and television satellites, satellite uplink station, satellite receiving stations, microwave stations, monitor stations and cable broadcasting and television transmission coverage network, etc.) shall be prohibited. Broadcast television video on demand services and satellite television broadcasting ground reception facility installation services	
	43. Prohibit to invest in production and operation of broadcasting and television programs (including introduction of business)	37. Prohibit to invest in production and operation of broadcasting and television programs (including introduction of business)		43. Prohibit to invest in production and operation of broadcasting and television programs (including introduction of business)	34. Prohibit to invest in production and operation of broadcasting and television programs (including introduction of business)	

Film Production, Distribution, and Screening	44. Construction and operation of cinemas shall be controlled by the Chinese side		Removed	44. Construction and operation of cinemas shall be controlled by the Chinese side		Removed
	45. Prohibit to invest in film production companies, distribution companies, cinemas and film import businesses	38. Prohibit to invest in film production companies, distribution companies, cinemas and film import businesses		45. Prohibit to invest in film production companies, distribution companies, cinemas and film import businesses	35. Prohibit to invest in film production companies, distribution companies, cinemas and film import businesses	
Protection of Cultural Relics	46. Prohibit to invest in auction houses and cultural relics shops engaging in the auction of cultural relics	39. Prohibit to invest in auction houses and cultural relics shops engaging in the auction of cultural relics		46. Prohibit to invest in auction houses and cultural relics shops engaging in the auction of cultural relics	36. Prohibit to invest in auction houses and cultural relics shops engaging in the auction of cultural relics	
Cultural Entertainment	47. Performance brokers shall be controlled by the Chinese side		Removed	48. Cultural performance groups shall be controlled by Chinese shareholders	37. Cultural performance groups shall be controlled by Chinese shareholders	
	48. Prohibit to invest in performing arts groups	40. Prohibit to invest in performing arts groups
